

FLDI Announces Credit Insurance Markets as Latest Reseller Partner

Austin , Texas , March 28, 2007 - First Lenders Data, Inc. (FLDI) , an Austin, Texas-based provider of bundled mortgage settlement services, announced today that it has formed a strategic partnership with Credit Insurance Markets to offer the FLDI platform and suite of products to existing and future Credit Insurance Markets customers.

FLDI services now available to Credit Insurance Markets and its customers include additional service providers for credit reports, flood zone determinations, AVMs, insured AVMs, desktop appraisals, income verification, document preparation services, closing services, title reports, lien reports, title insurance, recording services, and more.

"We are looking forward to working with First Lenders Data, Inc. Their FLDI platform provides our customers with several service providers and product offerings we have not been able to offer in the past," said Joe Taborek, President of Credit Insurance Markets. "We've offered settlement service packages in the past, but the FLDI system seems to be the most user-friendly while offering us several niche products and management tools that will be extremely useful to us and our customers."

"Our relationship with Credit Insurance Markets will give us the ability to provide products to customers that CIM knows very well," said Tedd R. Smith, CEO of First Lenders Data, Inc. "The relationships they have established in the mortgage industry are great and the confidence they have shown by choosing FLDI speaks volumes. We are excited to provide them with new products, services, and benefits they can offer to their customers."

About FLDIT and First Lenders Data, Inc. (FLDI)

FLDIT, a service of First Lenders Data Inc. (FLDI), is an Austin, Texas-based provider of settlement service solutions to the mortgage lending industry.
