

## **FLDI Hires Greg Anderson as Regional Account Executive**

**AUSTIN, Texas, August 4, 2005** - First Lenders Data, Inc. (FLDI) , an Austin, Texas-based provider of bundled settlement service solutions to the mortgage lending industry, announced it has hired Greg Anderson as a regional account executive . In this position, Anderson focuses on further expanding FLDI's client base throughout Oklahoma and surrounding areas by promoting FLDI's products and services.

Prior to joining FLDI, Anderson served as a national bank examiner for the Office of the Comptroller of the Currency (OCC), where he conducted safety and soundness and compliance examinations for nationally chartered banks. He also served as a senior bank examiner for the Federal Reserve Bank of Kansas City, where he conducted examinations and inspections for state member banks and holding companies with assets ranging from \$10 million to \$1 billion. In addition, Anderson has three years experience selling flood and bundled services as an independent contractor.

"Anderson brings 17 years of banking experience to FLDI and is a valuable resource for our customers as we work together to offer new, cost-effective mortgage and technology solutions," said Tedd Smith, CEO of FLDI. "His experience provides instant credibility when dealing with customers and enhances their ability to leverage our services into a competitive edge."

Anderson is a member of several professional organizations including the Oklahoma Banker's Association and the Oklahoma Mortgage Bankers Association. Anderson graduated from Oklahoma State University with a bachelor's degree in finance. He currently resides in Edmond, Okla. with his wife and three children.

### **About First Lenders Data, Inc.**

First Lenders Data Inc. (FLDI) is an Austin, Texas-based provider of settlement service solutions to the mortgage lending industry. FLDI offers its products and services through its proprietary Web-based platform. The company's product offerings include credit reports, flood certifications, AVMs and traditional valuation products, as well as income verification title, doc prep, closing, and recording services. Additionally, FLDI provides more progressive services, including hybrid and gap valuations, and alternative lien reports.
